

§ 890.108 Waiver of requirements for continued coverage during retirement.

(a) OPM may waive the eligibility requirements under 5 U.S.C. 8905(b) for health benefits coverage as an annuitant in the case of an individual who fails to satisfy such requirements if OPM, in its sole discretion, determines that, because of exceptional circumstances, it would be against equity and good conscience not to allow such individual to be enrolled as an annuitant in a health benefits plan under this part.

(b) OPM may grant a waiver as described in paragraph (a) of this section to an annuitant in rare and unusual circumstances if the annuitant shows by the preponderance of the evidence that—

(1) There is evidence demonstrating that the individual intended to be covered as an annuitant;

(2) The circumstance(s) that prevented the completion of the requirements of 5 U.S.C. 8905(b) was (were) essentially outside the individual's control; and

(3) The individual exercised due diligence in protecting the right to coverage as an annuitant.

(c) OPM will not grant a waiver solely because—

(1) An individual's retirement is based on disability or an involuntary separation; or

(2) An individual was misadvised (or not advised) by his or her employing office regarding the requirements for continuation of health benefits coverage into retirement.

(a) Except as provided in paragraph (b) of this section, periods during which temporary employees are eligible under 5 U.S.C. 8906a to receive health benefits by enrolling and paying the full subscription charge, but are not eligible to participate in a retirement system, are not considered when determining eligibility for continued coverage during retirement. For the purpose of continuing coverage during retirement, an employee is considered to

have enrolled at his or her first opportunity if the employee registered to be enrolled when he or she received a permanent appointment entitling him or her to participate in a retirement system and to receive the Government contribution toward the health benefits premium payments.

(b) A temporary employee eligible under 5 U.S.C. 8906a may continue enrollment as a compensationner if he or she has been enrolled or covered as a family member under another enrollment under this part for:

(1) The 5 years of service immediately preceding the commencement of his or her monthly compensation; or

(2) During all periods of service since his or her first opportunity to enroll, if less than 5 years. For the purpose of this paragraph, an employee is considered to have enrolled at his or her first opportunity if the employee registered to be enrolled when he or she first became eligible under 5 U.S.C. 8906a.
